

Intelligence Community Staff:

GS-16, Senior Program Officer, Program & Budget Review Branch

As Deputy to the Branch Chief (a GS-17), this officer is responsible for monitoring the single largest program in the National Foreign Intelligence Program and for coordinating the efforts of the other four program monitors of the Branch. His responsibilities include knowledge of all aspects of world-wide SIGINT activities, some of which are contained in nearly all of the national intelligence programs. He must provide for integration of all these SIGINT activities which are annually [redacted] for cross-program review and evaluation purposes. His contacts include certain USIB and IRAC committee program managers and other offices with program and budget review responsibilities. These are at the two-star and supergrade levels throughout the Community.
